Note :

1. This is a rough itinerary prepared for you as a suggestion, considering your interests and duration of staying in Sri Lanka. So, you can change visiting places if like.
2. You can book the hotels according to your preference through Booking.com (images and ratings for the hotels are available in the same).
3. When booking hotels, try to book hotels with driver accommodations. If they are not available, you have to pay a small amount for the driver's accommodations.
4. If you are interested to go whale watching and jungle safari, it charges for the boat and safari jeep.
5. If you want to reserve 1st class seat in the train, you have to book it through the web or you can buy 2nd or 3rd class tickets from the station.
